OSC …… On The Line

AFSC OP PROJECT ISSUES

APS4

- **Status of PEH (Bridging), and PYA (Aircraft Matting)?**
- **Status of 8th Army Op Project requirements for F/M 900 Series Trucks- Not on TAV.**

APS5

- **Timeline established for "replenishment", AFSC role?**
- **How do we handle returning OPROJs (parts and pieces)? The assumption is that we should inspect, inventory and hold for further instructions.**
